

HACCP Training Workshop

September 13-15, 2010

Cincinnati, OH

Course Description:

This is an extensive International HACCP Alliance Certified Training Program that will provide individuals with all of the tools needed to develop and maintain their own HACCP program and have a full understanding of HACCP. We strongly recommend a HACCP program as a means to manage food safety through the analysis and control of biological, chemical, and physical hazards. The path to a successful HACCP program begins with management commitment, resource allocation, dedication of effort and comprehensive training.
