800-649-0325

COURSE DESCRIPTION:

This is a 2-day course that will give participants an understanding of the SQF Code(s) and the requirements to implement and maintain SQF Systems. Registered SQF trainers will guide you through the SQF Program through a combination of lectures and practical exercises. Each class is limited to a maximum of 20 participants to assure that each student receives individual attention. The course will prepare the participants to take the official Implementing SQF Systems Exam online examination. Upon completion of the online exam, Certificates of Attainment will be issued by SQFI.

WHO SHOULD ATTEND:

- Designed for those seeking to gain in-depth knowledge of the SQF Program.
- Managers and Personnel responsible or involved in SQF 2000 implementation.

SUGGESTED COURSE PREREQUISITE:

It is recommended that students have an understanding of HACCP and its application in a food processing or distribution setting prior to taking this course.
